FROM THE MAILBAG

HOME MISSIONS COUNCIL of NORTH AMERICA sends us word: "We have appreciated your sending your Church Bulletin to the Council. I was much pleased to find that you include members of other racial groups in your program. I feel sure that each of our racial groups in this country needs to be interested in the others which have similar problems."

"I can't tell you how much I appreciate reading about my friends in the camp and those who have relocated," says MARY HATA. She is interested in our church activities and would appreciate hearing from you. Please write: 95 S. Lexington Pkwy., St. Paul 5, Minn.

Happiness Hour

This coming Wednesday, Henry Ikemoto will be the featured speaker. The vital part of our church life is in this midweek meeting. We start by singing old favorite hymns at 8 p.m. in the church office.

Leader Relocates

The Rev. Shinpachi Kanow relocated to Minneapolis, Minn., last Monday morning. He has served faithfully as nisei minister at Jerome center and has been working with us since that center closed. Formerly of Long Beach Presbyterian Church, he plans to continue his studies at Macalester College. We are grateful to him for his leadership here.

May God bless and use you, Rev. Kanow. We shall follow you with our interest and prayers.

Courage

Courage for the great sorrows of life, and
Patience for the small ones; and then when you
Have accomplished your daily task, go to sleep
In peace. God is awake.
